

Federal Institute of Science and Technology (FISAT)

The Federal Institute of Science and Technology (FISAT) is a self-financing private engineering college established and promoted by the Federal Bank Officers' Association Educational Society (FBOAES). The FBOAES is an initiative of the Federal Bank Officers' Association (FBOA), the sole representative body of all Federal Bank officers. Federal Institute of Science and Technology (FISAT) occupies a unique position in South India's Professional Education Sector. FISAT has been designed and developed to become a "Centre of Excellence" in professional education, with the motto "Focus on Excellence." Established in 2002, the college has carved a niche for itself in the education sector, as evidenced by its students' outstanding performance in academics, placements, and extra-curricular and co-curricular activities. FISAT has launched an ambitious plan to improve the quality and value of education while also developing high-quality individuals. The institution is accredited by the National Assessment and Accreditation Council (NAAC) with an 'A+' grade in the 2nd cycle. The National Board of Accreditation (NBA) has accredited six B.Tech programmes. The institution is also ISO 9001:2015 certified. FISAT is located in Mookannoor, near Angamaly in Ernakulam District, Kerala, the birthplace of The Federal Bank Ltd. founder, Late K P Hormis, and the campus is named "Hormis Nagar" in his honour. FISAT is affiliated with APJ Abdul Kalam Technological University (KTU) and is approved by the All India Council for Technical Education (AICTE), New Delhi. FISAT offers seven B.Tech engineering programmes, an MBA programme (with specialisations in Finance, Marketing, Human Resource Management, Information System, Production &

Operations Management, and International Business), an MCA programme, five M.Tech programmes and PhD programmes.

Motto: focus on excellence

Vision: To become a world-class professional institute with a focus on excellence, molding committed global professionals and technocrats who can meet the demands of business, industry and research.

Mission: To transform into an advanced center of technical education, which will, in turn, bring out professionals with superior skills and social commitment.

To provide state-of-the-art facilities to mold brilliant young talents, enabling them to take up challenging assignments in the highly competitive global scenario.

Core values

Inclusiveness

Nurturing

Social commitment

Professionalism

Integrity

Respect

Excellence

Newsletter:

The FISATian Herald

The Newsletter "The FISATian Herald" is a rich treasure of opportunities received, experiences learned, and accolades achieved through the teamwork and determination of FISATians. The Editorial Board consists of members (one member each) from all departments. This is a historical document of all achievements (of students and faculty members) and milestones of the college. In addition, the visits by eminent personalities during major functions and events are recorded. Truly "The FISATian Herald" is a valuable and precious archive of all documents of the college.

Location:

The Campus is at Hormis Nagar, Mookkannoor, a rustic village on the outskirts of Angamaly Town. A vast stretch of land comprising nearly 40 acres forms the campus. Mookkannoor being the birthplace of Late K. P. Hormis, the great visionary and founder of Federal Bank, holds emotional bondage with each and every member of the Federal family and its well-wishers. Therefore the campus is named Hormis Nagar. With its scenic beauty and virgin surroundings, this typical Kerala Village is expected to provide proper ambiance for the prestigious academic institution. The campus is within a radius of hardly 4 km from NH-544, 7 km from Angamaly Railway station and 11 km from Kochi International Airport. Well-known pilgrim centers like Kalady, the birthplace of Adi Sankara, and Malayattoor, blessed with the footprints of St. Thomas and the famous Athirappilly Waterfalls, one of the important tourist attractions of the state are also in the vicinity of the campus.

How to reach the Campus

The FISAT campus is very near to Mookkannoor, a small township on the border of Angamaly Municipal Town. It is well

connected by road to Angamaly from where a number of private and K.S.R.T.C buses make frequent trips to Mookkannoor and destinations beyond Mookkannoor. Mookkannoor is on the bus route from Angamaly to Athirappilly Waterfalls on the south bank of the Chalakudy River. It is also connected by bus service to Kalady via Thuravoor and to Chalakudy via Azhakom.

Member	Dr. J Letha, former Vice Chancellor of Cochin University of Science and Technology (CUSAT) and currently working as Pro Vice Chancellor in Jain Deemed to be University. Dr. K. Vijayakumar, Chairman ISTE, Professor and Director of Technical Education, Kerala (Rtd)

Advisory board

Federal Institute of Science And Technology is administered by the Federal Bank Officers Association Educational Society (FBOAES) – an initiative of the Federal Bank Officers Association (FBOA), the sole representative body of the entire officers in The Federal Bank with 35 years of yeomen services to its credit. The society has been formed with the aim of establishing a Center of Excellence for professional studies.

Society has enlisted the support of many luminaries from the fields of education, technology, administration and banking to guide the functioning of FISAT. The Advisory Board of the Society consists of eminent personalities with proven capabilities.

Dr. G MADHAVAN NAIR

Former Chairman, ISRO.

Mr. K P FABIAN, IFS [Rtd.]

Former Ambassador of India to Italy and Gulf Countries.

Prof. JOSE PAPPU

Former Principal, St. Aloysius College, Thrissur.

Prof. ABRAHAM KOSHY

IIM Ahmedabad.

Dr. E GOPINATHAN

Former Director, NIT, Calicut.

Principal

Dr. Jacob Thomas V

Principal

Prof. (DR) Jacob Thomas V. is presently working as Principal. He joined FISAT on 01-01-2024.

He had his graduation in Electronics Engineering from National Institute of Technology, Surat and masters in Biomedical Engineering from IIT Madras.

His doctoral degree is from IIT Madras on thesis Analysis of Foot Pressure and Stress parameters for various foot sole properties in Diabetic Neuropathy.

He also obtained international level 5 certificate in Management and Leadership (QCF).

He had about 36 years of experience as an engineer, lecturer, assistant professor, professor and principal in different engineering colleges of a Kerala Govt undertaking organization. He was also member of different statutory academic bodies of different universities and coordinated several national conferences, workshops, faculty development programs

Prof. (DR) Jacob Thomas V has published 4 papers in international peer journals and also 18 papers in national journals and about 30 national conference papers.

He is the member of different professional bodies like Indian Society of Biomechanics, Diabetic Foot Society of India, Advancement of Medical Instrumentation, Indian Society for Technical Education, Indian Society of Applied mechanics etc.

His areas of interest include biomechanics, bioinstrumentation, finite element analysis, diabetic foot ulcers etc.

Academic heads

His areas of interest include biomechanics, bioinstrumentation, finite element analysis, diabetic foot ulcers etc.

Dr. Mini P R, B.E, M.Tech, Ph. D

Vice Principal

Dr. Mini P R is presently the Vice Principal. Dr. Mini P R joined FISAT as a lecturer in 2002 and has served as Head of the Department of Electronics and Communication Engineering during the period 2002-2006 and 2008-2021. She was instrumental in establishing the Department of Electronics and Communication Engineering in FISAT and setting up the various labs for UG and PG programs. Under her headship the department won several accolades including many B Tech and M Tech ranks both under M G University and APJ Abdul Kalam Technological University. The department also has a very commendable placement record. During the years 2021 to 2023, Dr. Mini P R held the positions of Dean (Academic Affairs) and IQAC Coordinator. She also served as the college's coordinator for NBA and NAAC accreditations, successfully guiding it to an A+ in the second round of NAAC accreditation in 2023. Dr. Mini P R received her BE degree in Electronics and Communication

Engineering from the Government College of Technology, Coimbatore and M Tech in Digital Systems and Communication Engineering from the National Institute of Technology, Calicut. She received PhD from Cochin University of Science and Technology. She has more than 25 years of teaching experience and has been associated with FISAT since its inception. Her earlier teaching stints were at Amrita Viswa Vidyapeetam, Coimbatore and Government College of Technology, Coimbatore. She is a lifetime member of ISTE.

Dr. Unni Kartha G

Dean (Academics)

Dr. Unni Kartha G is presently holding the position as Dean (Academics) at FISAT. He is a Professor in the Department of Civil Engineering. Dr. Unni Kartha completed PhD from Cochin University of Science and Technology, Kochi, Kerala in the area of Earthquake Geotechnical Engineering. His masters is in Structural Engineering from Government College of Technology, Coimbatore with First Rank in the year 2002. He was a recipient of GATE scholarship during his post graduation. He completed B.Tech in Civil Engineering with Honours from NSS College of Engineering Palakkad in the year 1999. He started off the career in FISAT in the year 2004 as Lecturer in Civil Engineering. Prior to joining FISAT, he was Lecturer in Civil Engineering at Amrita Institute of Technology and Science, Kollam, Kerala from 2002-2004. Dr. Kartha was the Head of the Department of Civil Engineering at FISAT from 2011 to 2021. He played a key role in starting the undergraduate and postgraduate programs in Civil Engineering on campus. As the first head of the department of Civil Engineering at FISAT, he was instrumental in the development of the department, including setting up of the labs, faculty recruitment, and documentation systems. He was holding the charge of Placement Officer from 2006 to 2023 and made significant contributions to establish an active placement cell with commendable achievements. His research interests are Soil Structure Interaction, Earthquake Geotechnical Engineering, Finite Element Method, Parallel Computing, Machine learning and Teaching Learning Process. He is actively involved in consultancy work related to structural engineering and material testing. He is an affiliated member of American Society of Civil Engineers (ASCE) and is actively associated with the student chapter of the campus. He is also a life member of the Indian Geotechnical Society (IGC).. At FISAT, Dr. Kartha is actively involved in many committees and played key role in AICTE and University affiliation processes, NAAC and NBA accreditations, ISO certification, development of Library, Design and development of central computing facility, Planning, allotment and layouts of

the department labs, staff rooms, office, placement cell and sports infrastructure. He was awarded the Best Teacher award from FISAT in the year 2011 for his overall contributions. He has authored 20 publications in Conferences and Journals and has been a resource person for training programs and FDPs. He has organised as well as attended many FDPs, Conferences and outreach programs. Over a period of time, he has taught many subjects including Structural Analysis, Design of Steel Structures, Prestressed concrete structures, Finite Element Method, Strength of Materials, Mechanics of Solids, Engineering Graphics and Basic Civil Engineering. He is presently an approved research guide of APJ Abdul Kalam Technological University, Thiruvananthapuram.

Dr. Elizabeth George

Director-FBS

Dr. Elizabeth George is the Director of FISAT Business School. She is a post graduate in Business Administration with specialization in Human Resource Management and Marketing from University of Madras. She did her M.Phil in Management from Bharathiar University and is UGC-NET qualified. She holds a PhD in the area of Organizational Behaviour and Human Resource Management from Cochin University of Science and Technology (CUSAT). She has 28 years of experience in teaching at post graduate level and she is an authorised PhD guide of Mahatma Gandhi university. Prior to joining FISAT, she was the Principal and Professor in DC School of Management and Technology, Vagamon. She has served as the Head of Department in Department of Business Administration (MBA), MES College, Marampally, Aluva and the Department of Management Studies, Adi Shankara Institute of Engineering & Technology, Kalady. Dr. Elizabeth George has attended and presented papers in various national and international seminars and chaired several national and international conferences. She has been a resource person for various MDPs and FDPs. She has published more than 35 articles in nationally and internationally renowned journals such as Thomson Reuters and Scopus Indexed journals. She has authored three books including Psychological Empowerment and Job Satisfaction in Banking Sector (published by Palgrave Macmillan Publication, UK), Effectiveness of Employee Training Programme and Counselling skills for Managers. She is the Review committee member of several national/international journals, Editorial Board Member of Kelaniya Journal of HRM, Sri Lanka and is life-member of NIPM and ISTD. Her area of interest in teaching and

research includes Organizational Behaviour, Human Resource Management, Work Life Balance, Employee Empowerment, Human Resource Development and Employee Counselling.

Our founder chairman

Adv. P. V. Mathew (1953 – 2017)

Our Founder Chairman

Adv. P.V. Mathew (fondly called Mathew Sir) was the founder chairman of the Federal Institute of Science And Technology (FISAT). Mathew Sir's dynamic leadership, futuristic vision and indomitable determination paved the way to the birth of the Federal Bank Officers' Educational Society (FBOAES). The starting of FISAT in 2002 was the manifestation of the high degree of commitment to society and relentless hard work of Federal Bank officers under the versatile leadership of Adv. P.V. Mathew. The College was aptly christened Federal Institute of Science and Technology and rightly located at the birthplace of late K.P. Hormis as a tribute to the founder of the Federal Bank. Adv. P. V. Mathew was unanimously selected as the first Chairman of the FISAT Governing Body and continued serving the institution as Chairman until he retired from Federal Bank

in 2013. Adv. P.V. Mathew's yeomen service as the General Secretary of the Federal Bank Officers' Association from 1987 to 2013 had been commendable. His invaluable service was extended to society in many other capacities too.

Sir's contributions to FISAT were manifold and innumerable. The present reputation of FISAT, as one of the best sought-after engineering colleges in Kerala, is the result of his acumen and farsightedness coupled with the concerted efforts of his colleagues and friends. Mathew Sir knew each and every corner of the campus and each and everyone working with him very well. Mathew Sir passed away on June 16, 2017. As a tribute to this great visionary, the College celebrates Founder's Day on September 27, his birthday.
